(a) The Common Areas, Roads and Water System shall be maintained as more particularly described below.

(b) All Common Areas (and all improvements located thereon) shall be clean and free from debris and maintained in an orderly condition, together with the landscaping

The Association shall establish and maintain an adequate emergency fund (the "Emergency Fund") for the special maintenance, repair, reconstruction and replacement of the Common Areas and any improvements located on such Common Areas which the Association is obligated to maintain in order to fund unanticipated expenses of the Association or to acquire equipment or services deemed necessary or desirable by the Board of Directors. Such Emergency Fund shall be collected and maintained out of the Annual Assessment, as hereinafter defined, and as set forth in Section 4.2.

The Association or any other person, firm or association making such repairs or maintenance shall not be liable for any personal injury or other incidental or consequential damages occasioned by any act or omission in the repair or maintenance of any premises, improvements or portions thereof. The Association shall, to the extent permitted by applicable law, indemnify and defend all Members of the Board of Directors from and against any and all loss, cost, expense, damage, liability, claim, action or cause of action arising from or relating to the performance by the Board of Directors of its duties and obligations, except for any such loss, cost, expense, damage, liability, claim, action or cause of action resulting from the gross negligence or willful misconduct of the person(s) to be indemnified.

ARTICLE 4 - COVENANT FOR ANNUAL AND SPECIAL ASSESSMENTS

Section 4.1 Creation of the Lien and Personal Obligation for Annual, Special, and Special Individual Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the Annual Assessments, Special Assessments, and Special Individual Assessments, as hereinafter defined, established and collected as hereinafter provided. Any such assessment or charge, together with interest, costs, and reasonable attorneys' fees, shall be a

charge and a continuing lien upon the Lot against which each such assessment or charge is made. Each such assessment or charge, together with interest, costs and reasonable attorneys' fees shall also be the personal obligation of the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments or charges shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 4.2 Purpose of the Annual Assessment. The assessment to be levied annually by the Association against each Lot and House (the "Annual Assessment") with regards to the development of the Lot, shall be used as follows:

(a) to repair, maintain, reconstruct, keep clean and free from debris, the Common Areas and any Amenities and improvements located thereon;

(b) to maintain and repair or cause to be maintained the Water System and Roads to the standards of maintenance as deemed appropriate by the Board of Directors;

(c) to pay any ad valorem taxes levied against the Common Areas and any other property owned by the Association.

(d) to pay the premiums on all insurance carried by the Association pursuant hereto or pursuant to the Bylaws.

(e) to pay all legal, accounting and other professional fees incurred by the Association in carrying out its duties as set forth herein or in the Bylaws.

Section 4.3 Setting of Budget and Allocations; Payment of Annual Assessment. The Annual Assessment for each and every fiscal year shall be in an amount as set by the Board of Directors, and unless otherwise determined by the Board of Directors shall be due and payable in one (1) annual installment, such installment being due and payable no later than the date set forth in the notice sent to the Owners as described below. The Board of Directors shall prepare a budget for each fiscal year of the Association, and an allocation of the budget against the Lots in the manner described below, in sufficient time to allow for the required meeting of the Members to vote on the budget and allocations, as described below. The annual budget shall be divided into four (4) categories: Roads; Water System; Emergency Fund; and Overhead. The Overhead category shall include all anticipated expenses of the Association other than those for the Roads, the Water System, and the Emergency Fund. Annual Assessments shall be made against each Lot using allocations made by the Board of Directors. Such allocations shall take into consideration the relative impacts on the expenses reflected in these budget components of: (i) undeveloped Lots; and (ii) Lots with Houses on them. Hence, there shall be an allocation of a uniform amount against each "undeveloped Lot"; and a separate additional allocation of a uniform amount against each "developed Lot." For purposes of these allocations and determination of these uniform amounts, an "undeveloped Lot" shall mean a Lot upon which no House has been constructed, except that with respect to a House constructed on a tract containing more than one Lot, all but one of such Lots shall also be an "undeveloped Lot"; and a "developed Lot" shall mean a Lot upon which a House has been constructed other than the Lots counted as "undeveloped Lots" in accordance with the preceding phrase. (For example, if an Owner owns four Lots and has constructed a House upon the tract comprised of such four Lots,

one of the Lots is a “developed Lot”; and the other three Lots are “undeveloped Lots.” Therefore, the Owner of such four Lots and House would pay the uniform amount allocated for undeveloped Lots multiplied by three; and the uniform amount allocated for developed Lots multiplied by one). The Board of Directors shall determine the budget and fix the amount of the Annual Assessment as to each Lot and House according to the preceding allocations for any fiscal year at least thirty (30) days prior to the beginning of such fiscal year, and the Association shall send written notice of the budget and the amount of the annual assessment, as well as the amount of the payment due and due date, to each Owner at least fifteen (15) days prior to the beginning of such fiscal year. Such notice shall include notice of a meeting of the Members to consider ratification of the budget and the allocations thereof against the Lots and Houses, including a statement that the budget and allocations may be ratified without a quorum. (It is intended the budget and allocations be considered for ratification at the Association’s annual meeting.) The Board of Directors shall set a date for a meeting of the Members to consider ratification of the budget and allocations to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. If such meeting is required as set forth above, there shall be no requirement that a quorum be present at the meeting. The budget and allocations are ratified unless at such meeting Members exercising a majority of the votes in the Association reject the budget and allocations. If the Board of Directors fails to so fix the regular annual assessment, the assessment applicable for the previous assessment year shall remain in effect until the Board of Directors shall fix a new regular annual assessment. The failure of the Association to send, or of an Owner to receive, such notice shall not relieve any Owner of its obligation to pay the Annual Assessment. Notwithstanding the foregoing, the Board of Directors may alter the dates of the fiscal year for setting the Annual Assessment and may increase or decrease the frequency of collection of the Annual Assessment installment in any reasonable manner.

Section 4.4 Special Assessment for Capital Improvements. In addition to the Annual Assessment, the Association may levy, in any assessment year, a special assessment (“Special Assessment”) applicable to that year only for the purpose of defraying, in whole or in part, the cost of (i) the construction of any Common Area improvements; or (ii) the reconstruction, repair or replacement of Common Areas, including but not limited to, Roads and Water System. Provided, however, that any such assessment must be approved by a vote of no less than two-thirds (2/3) of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 4.5 Special Individual Assessment. In addition to the Annual Assessment and Special Assessments authorized above, the Board of Directors shall have the power to levy a Special Individual Assessment applicable to any particular Lot Owner (“Special Individual Assessment”): (i) for the purpose of paying for the cost of any construction, reconstruction, repair or replacement of any damaged component of Common Areas, including, but not limited to, the Roads and Water System, including all improvements located thereon, whether occasioned by any act or omission of such Owner(s), Members of such Owner’s family, or such Owner’s agents, guests, employees or invitees and not the result of ordinary wear and tear; or (ii) for payment of fines, penalties or other charges imposed against any particular Owner relative to such Owner’s failure to comply with the terms and provisions of this Declaration, the Bylaws or any rules or regulations promulgated by the Association pursuant to those documents, or the Bylaws. Owners will be held responsible for the negligent use of the infrastructure of Swiss

Village such as the Water System and the Roads. An example of misuse would be the failure to turn off the water to the house at the main water supply line valve when away from the house during the winter months when freezing temperatures are possible. The support of all Owners is needed in order to avoid excessive water loss, wear and tear on the pumping equipment, and the waste of electricity. The due date of any Special Individual Assessment levied pursuant to this Section 4.5 shall be fixed in the Board of Directors resolution authorizing such Special Individual Assessment. Upon the establishment of a Special Individual Assessment, the Board of Directors shall send written notice of the amount and due date of such Special Individual Assessment to the affected Owner(s) at least thirty (30) days prior to the date such Special Individual Assessment is due.

ARTICLE 5 - GENERAL ASSESSMENT PROVISIONS

Section 5.1 Certificate Regarding Assessments. The Association shall, upon demand, furnish a certificate signed by an officer of the Association setting forth whether the assessments of a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 5.2 Effect of Nonpayment of Assessments; Remedies of the Association. Assessments not paid by their due date as set forth in Section 4.3 hereof, or any other assessment not paid by its due date, shall bear interest from such due date at the rate of eighteen percent (18%) per annum. In addition to such interest charge, the Board of Directors shall have the right to discontinue water service, and the delinquent Owner shall also pay such late charge as may have been theretofore established by the Board of Directors to defray the costs arising because of late payment. The Association may bring an action at law against the delinquent Owner, and may exercise any and all remedies provided for in the Planned Community Act. The Association has the right to collect reasonable attorneys' fees related to such action and these shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein.

ARTICLE 6 - RESTRICTIONS

Section 6.1 Land Use, Building Type and Residential Restrictions. All Lots in the Subdivision shall be known and described as residential Lots and shall be used only for private residential purposes. No Lot may be used to provide access (ingress/egress) to property outside Swiss Village. No road or path shall be constructed to provide access (ingress/egress) to Swiss Village. The only entrances that will provide access (ingress/egress) to Swiss Village shall be Alpine Drive from 226A and the existing Blue Ridge Parkway Service road from 226A. No structure shall be erected, altered, placed or permitted to remain on any Lot other than for use as a single family residential dwelling, unless otherwise provided herein, and only one single-family residential dwelling not exceeding 1½ stories and thirty-five (35) feet as viewed from the Road which the primary entrance door of the house faces shall be erected or permitted to remain upon any Lot as provided in Article 7. The bottom of the primary entrance door of the house will be no more than three (3) feet above grade as viewed from the Road which such primary entrance door faces. The Board of Directors shall have the right (but not the obligation), because of steep topography, unique Lot configuration or similar reasons, to allow dwelling stories and heights greater than described here, and to waive or modify the principal Road entrance height

restriction. No mobile home or multi-family home may be erected or permitted. All improvements must be approved by the Board of Directors. A private garage or carriage House which may contain living quarters and outbuildings incidental to the residential use of the Lot may be permitted upon the condition that they are not rented, leased nor otherwise used for remuneration, subject to the other provisions contained herein. No property may be offered for rent to the general public. However, an Owner may allow family or friends to use their House even when reimbursement occurs. This use is differentiated from commercial rental to the general public, which is not allowed. Commercial rental to the general public includes, but is not limited to, the placement of a property with a real estate agent, or the advertising of a rental in a newspaper, on the internet, or through any other media. No wind generation of electricity, oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall wind generators, wind mills, oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any Lot.

Section 6.2 Diligent Construction. All construction, landscaping or other work which has been commenced on any Lot must be continued with reasonable diligence to completion and no partially completed Houses or other improvements shall be permitted to exist on any Lot or Common Area, except during such reasonable time period as is necessary for completion. The exterior of all Houses and other structures must be completed within one (1) year from the date of commencement of construction, unless a longer time is approved by the Board of Directors. Any damage to any Roads or any part of any Common Area or any utility system caused by an Owner or any builder shall be repaired by such responsible party. If such responsible party fails to repair such damage, the Association may make or provide for such repairs, and the responsible Owner shall immediately reimburse the repairing party for its out of pocket expenses in making such repairs. The Owner of each Lot and any builders shall at all times keep contiguous areas free from any dirt, mud, garbage, trash or other debris which is occasioned by construction of improvements on the Lots, Roads, private driveways and any Common Areas. The Association may provide for the cleaning of public and private areas due to the activities of the responsible party and may assess the responsible party a reasonable charge not to exceed the actual cost for such cleaning. All Owners and their building contractors and sub-contractors shall, consistent with standard construction practices: (i) keep all portions of the Lots, Roads, private driveways and the Common Areas free of unsightly construction debris; and (ii) shall at all times during construction either provide dumpsters for the containment of garbage, trash or other debris which is occasioned by construction of improvements on a Lot or Common Areas, or take other measures consistent with standard construction practices necessary to keep the Lots, Roads, and all Common Areas free of such garbage, trash, or other debris. No building materials, equipment, dumpsters or portable toilets may be placed within the road rights of ways. The burning of debris, trash and materials during construction is prohibited. Each Owner and any Owner's contractors or sub-contractors shall be responsible for erosion control protection during any earth-disturbing operation or activity.

Any dwelling proposed to be constructed greater than 3,300 square feet of enclosed heated area shall be subject to size limitations which may be imposed by the Board of Directors and preliminary approval must be obtained prior to preparation of any final design drawings. Section 6.4 Building Construction and Quality. All buildings and outbuildings erected upon any Lot shall be constructed of material of good grade, quality and appearance and shall be constructed in a proper, workmanlike manner. The Board of Directors shall have the right (but not the obligation) to allow a variance to the roof pitch requirement.

Section 6.5 Temporary Structures; Structure Materials. This one hundred (100) foot requirement may not be waived by the Board of Directors. No Lot or combination of Lots may be used more than once for the purpose of determining the calculation for this one hundred (100) foot requirement. Due to this requirement, some Lots as shown on the Maps cannot have a House built upon them, and a House will have to be constructed on one or more contiguous Lots. No building on any Lot (including any stoops, porches, or decks) shall be erected on or permitted to remain within ten (10) feet of any side or rear Lot line, or ten (10) feet from the easement line paralleling the front boundary line as shown on the recorded plat, or ten (10) feet from any utility easement. Every effort must be made by owners to obtain setback lines greater than these ten (10) feet in order to ensure the greatest privacy for each neighbor. Setbacks are subject to Lot topography and ground composition. Any subsequent changes to site location after initial Board of Directors approval (as set forth in Article 7, Section 7.1), must be

reviewed and approved in writing by the Board of Directors prior to commencement of construction.

In the event any zoning or subdivision ordinance, floodway regulations or other ordinance, law or regulation applicable to a Lot shall prescribe greater setbacks, then all buildings erected during the pendency of that zoning or subdivision ordinance, floodway regulations or other ordinance, law or regulation shall conform to said requirements. No structures or improvements may be constructed or placed within the right-of-way of any Roads.

The Association shall have the authority but not the obligation, in its sole discretion, to assess fines or penalties against an Owner who fails to abide by the terms of this Section 6.6, to the maximum extent and in accordance with the provisions of the North Carolina Planned Community Act. The penalties and fines authorized by this Section 6.6, as well as the expenses to be reimbursed the Association shall be considered a Special Individual Assessment against the respective Owner's Lot, entitling the Association to the assessment collection remedies specified in Article 6 of this Declaration.

Section 6.7 Minor Setback Violations. In the event of the unintentional violation of any of the building setback covenants set forth above, the Board of Directors has the right, but is not obligated, to waive in writing such violation of the setback covenants, provided that such change is not in violation of any zoning or subdivision ordinance, or other applicable law or regulation.

Section 6.8 Fences and Walls. Fences and walls must be approved by the Board of Directors.

Section 6.9 Utility and Drainage Easements. All Property shall be subject to all easements and rights-of-ways for utilities and drainage shown on the plats including but not limited to those certain easements shown and designated on the plats as:

Such payment must be made as a condition to the approval of plans and specifications for improvements as provided in Article 7 below.

Each Owner shall keep his Lot (including vacant Lots) in a clean and orderly condition and shall keep the improvements thereon in a suitable state of painting and repair, promptly repairing any damage thereto by fire or other casualty. No Lot shall be used in whole or in part for storage of trash of any character whatsoever and no trash, rubbish, stored materials or similar unsightly items shall be allowed to remain on any Lot outside of an enclosed structure, except when temporarily placed in closed, sanitary containers pending collection by trash companies.

Reasonable variances in this Section 6.14 during house construction may be permitted with prior Board of Directors approval.

No noxious or offensive trade or activity shall be carried on or upon any Lot or in any House or outbuilding, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No substance, thing, animal or material shall be kept upon any Lot that will emit foul or obnoxious odors, or that will cause any noise that will or might disturb the peace and quiet of the occupants of surrounding property. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any Lot or in any residential dwelling or outbuilding with the exception of dogs, cats, or other household pets that may be kept and maintained.

In order to preserve the aesthetic qualities of the Common Areas, to maintain sanitary conditions throughout Swiss Village, and to maintain a proper respect for other property owners and users of the Common Areas, each person that keeps a pet within Swiss Village shall abide by the following restrictions, conditions, and affirmative obligations and any other supplemental or additional rules and regulations promulgated by the Association:

- (a) No pets may be kept, bred, or maintained for any commercial purpose.
- (b) The Owner of a pet must not allow the pet to roam unattended in Swiss Village and it is the responsibility of each pet Owner to either leash or otherwise physically restrain their pets or retain other suitable control while the pets are out of doors. The use of buried electric pet fences is encouraged. Pet droppings must be cleaned up by the Owner.

(c) The Owner shall muzzle any pet which constantly barks or makes noises which might be reasonably expected to disturb other Owners or exhibits threatening behavior. Any pet that makes an unreasonable amount of noise or becomes a nuisance may be ordered removed by the Association.

(e) Pets shall be allowed on the Common Areas or on property not owned by the property Owner only in accordance with the rules and regulations of the Association.

(f) The Owner of a pet which causes destruction of property or is a nuisance will be required to keep such pet confined by structure or leash at all times.

(g) All pets shall be registered, licensed, and vaccinated as required by law.

Upon written request of any property Owner, the Association may conclusively determine, in its sole and absolute discretion, not only for purposes of this Section 6.15, a particular pet is a nuisance, and the Association shall have the right to require the Owner of the particular pet to remove such pet from the Property if such pet is found to be a nuisance or to be in violation of these restrictions. The Association shall have the further right to fine any property Owner for the violation of these pet restrictions by such property Owner, his family, guests or invitees. Any property Owner shall be liable to the Association for the cost or repair of any damage to the Common Areas caused by the pet of such property Owner, his family, guests or invitees or of any occupant of such property Owner's home. Any such fine or cost of repairs shall be considered a Special Individual Assessment pursuant to the provisions of Section 4.5

Section 6.16 Outdoor Pools. Outdoor pools (swimming pools, therapy pools, spas, , whirlpools, etc.) are not allowed unless an exception is approved by the Board of Directors.

Section 6.17 Tennis Courts. Tennis courts are not permitted.

(b) Movable equipment of any type (such as lawn mowers and garden tools) and children's play toys shall not remain repeatedly overnight within any front yard of any Lot, or within the side yards of any Lot which are visible from an adjoining Lot, in such number or for such a long period of time as to create a continuing, unsightly condition.

Section 6.19 Hunting.. No hunting will be allowed on the Property. Firearms may not be discharged on the Property except for personal protection..

Section 6.20 Non-waiver. No delay or failure on the part of an aggrieved party to invoke an available remedy in respect to a violation of any provision contained herein or referred to herein shall be held to be a waiver by that party of any right available to the party upon the recurrence or continuance of said violation or the occurrence of a different violation.

Section 6.21 Governmental Requirements. Nothing herein contained shall be deemed to constitute a waiver of any governmental requirements applicable to any Lot and all applicable governmental requirements or restrictions relative to the construction of Improvements on and/or use and utilization of any Lot shall continue to be applicable and shall be complied with in regard to the Lots. Each Owner shall comply with all laws, regulations, ordinances (including, without limitation, applicable zoning ordinances) and other governmental rules and restrictions in regard to the Lot(s) or other portion of the Property owned by such Owner.

Section 6.22 Occupants Bound. All provisions of this Declaration, Bylaws, and of any rules and regulations, use restrictions or architectural guidelines promulgated pursuant hereto or thereto which govern the conduct of owners and which provide for sanctions against owners shall also apply to all Occupants even though Occupants are not specifically mentioned.

ARTICLE 7 - ARCHITECTURAL APPROVAL

Section 7.1 General. Notwithstanding anything contained in this Declaration to the contrary, no improvements including without limitation, site preparation on any Lot, or erection of buildings or exterior additions or alterations to any building situated upon the Property, or erection of any fences, or construction of driveways shall be commenced, erected or maintained on any portion of Swiss Village subject to the provisions of Section 7.6 hereof until: (a) the Board of Directors has approved the plans and specifications therefore and the location of such Improvements and has given its written approval for commencement of construction, all in accordance with the terms and requirements of this Declaration and those made by the Board of Directors for the specific property; and (b) the fees, such as the water system Tap On fee, set forth in or contemplated in this Article 7 have been paid. Any subsequent changes to plans, specifications or site location must be reviewed and approved in writing by the Board of Directors prior to commencement of construction.

Section 7.2 Composition of an Architectural Review Committee. The Board of Directors may authorize for guidance an Architectural Review Committee. The members of the Architectural Review Committee shall be appointed by the Board of Directors. At least one of the members of the Architectural Review Committee must be a member of the current Board of Directors, and all must be Members of the Association. Members of the Architectural Review Committee may be removed at any time by the Board of Directors. Notwithstanding anything contained herein to the contrary, the Architectural Review Committee shall have the right, power and authority to employ and/or use the services of any architects, engineers or other professionals as it deems necessary or advisable. The size of the Architectural Review Committee will be determined by the Board of Directors.

Section 7.3 Definition of Improvements. The term "improvement" or "improvements" shall mean and include any and all man-made changes or additions to a Lot. The definition of improvements includes both original improvements and all later changes to

improvements. The definition of improvements, however, does not include the replacement or repair of improvements previously approved provided such replacement or repair does not change exterior colors, materials, designs or appearances from that which were previously approved. House and roof colors must be compatible with the surrounding houses and the environment, and must be approved by the Board of Directors.

Section 7.4 Enforcement.

(a) It is the intent of the Board of Directors that the architectural provisions of this Declaration are to establish quality standards for construction in Swiss Village to help preserve value of properties. All Owners, by purchasing property subject to this Declaration, acknowledge that a violation of standards could result in harm and damage to other Owners of property in Swiss Village. Accordingly, the Association shall have the specific right (but not the obligation) to enforce and/or to prevent any violation of the provisions contained in this Article 7 by a proceeding at law.

(b) As to nonconforming or unapproved improvements, the Association may require any Owner to restore such Owner's improvements to the condition existing prior to the construction thereof (including, without limitation, the demolition and removal of any unapproved improvements) if such improvements were commenced or constructed in violation of this Article. In addition, the Association may, but has no obligation to, cause such restoration, demolition and removal to be performed and to levy the amount of the cost thereof as a Special Individual Assessment against the Lot upon which such improvements were commenced or constructed. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, to remove any unapproved improvement or otherwise to remedy a violation of these guidelines, the Association shall be entitled to recover court costs, attorneys' fees and expenses incurred by the Association, in connection therewith, which costs, fees and expenses may be levied as a Special Individual Assessment against the Lot upon which such Improvement was commenced or constructed.

Section 7.5 Failure of the Board of Directors to Act. If the Board of Directors fails to approve or disapprove any plans and specifications and any other submittal which conform (and which relate to improvements which will conform) with the requirements hereof, or to reject them as being inadequate or unacceptable within thirty (30) business days after receipt thereof and provided such submittal is a full and complete submittal, of all items that were to have been submitted to the Board of Directors it shall be conclusively presumed that the Board of Directors has approved such conforming plans and specifications and any other submittal.

However, if during the above described thirty (30) business day period the Board of Directors requests additional plans and specifications or any other submittal, the submitting party will be granted ten (10) business days in addition to the initial thirty (30) business days to submit such plans and specifications or any other submittal as requested by the Board of Directors. If after the then forty (40) business day period the Board of Directors fails to approve or disapprove such plans and specifications or any other submittal it shall be conclusively presumed that the Board of Directors has approved such conforming plans and specifications or any other submittal.

If plans and specifications or other submittals are not sufficiently complete, or otherwise inadequate, the Board of Directors may approve or disapprove part, conditionally or unconditionally, and reject the balance. The Board of Directors is authorized to request submission of proposed construction materials, including samples of exterior colors.

Notification of approval or disapproval of plans and specifications must be in writing from the Board of Directors and must be signed by at least 4 of the 5 Directors.

Section 7.6 Variances. Upon submission of a written request for same, the Board of Directors may, from time to time, in its sole discretion, permit Owners to construct, erect or install improvements which are at variance with restrictions, requirements or provisions of this Declaration from which a variance is permitted, pursuant to the terms hereof. In any case, however, such variances shall be in basic conformity with and shall blend effectively with the general architectural style and design of the community and shall not materially change the scheme of restrictions herein set forth. Written requests for variances shall be deemed to be approved in the event the Board of Directors has not expressly and in writing approved such request within thirty (30) business days of the receipt by the Board of Directors of such request. No member of the Board of Directors shall be liable to any Owner for any claims, causes of action, or damages arising out of the grant or denial of any variance to any Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a variance to any Owner shall not constitute a waiver of the Board of Directors to strictly enforce the covenants, restrictions and architectural standards provided hereunder against any other Owner. Nothing herein or the issuance of a variance, shall constitute a waiver of any governmental requirements with respect to a variance requested by an Owner.

Section 7.7 Limitation of Liability. No member of the Board of Directors shall be liable for claims, causes of action or damages (except where occasioned by willful misconduct of such member) arising out of services performed pursuant to this Article 7. Neither the Board of Directors, nor the members thereof, nor the Association, nor any officers, directors, members, employees, agents or affiliates of any of them, shall be liable for damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence-or nonfeasance arising out of or in connection with the approval or disapproval of, or the failure to approve or disapprove of any plans and specifications. The approval of plans and specifications by the Board of Directors shall not be deemed or construed as a representation or warranty of the directors, member, employee, agent or affiliate of any of them, (i) that improvements constructed in accordance with such plans and specifications will comply with applicable zoning ordinances, building codes, or other governmental or quasi-governmental laws, ordinances, rules and regulations or (ii) as to the structural soundness, quality, durability, suitability, fitness or proper functioning of improvements constructed in accordance with such plans and specifications; and any responsibility or liability therefor is hereby disclaimed. Every person who submits plans and specifications, and every Owner, agrees that he will not bring any action or suit against the Board of Directors, the Association, the Architectural Review Committee (if applicable), or the officers, directors, members, employees, agents or affiliates of any of them, to recover any such damages and hereby releases, demises, and quitclaims all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the

provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

ARTICLE 8 - INSURANCE

Section 8.1 Board of Directors. The Board of Directors shall obtain and maintain at all times insurance of the type and kind and in no less than the amounts set forth below:

(a) Fire and Casualty. All improvements and all fixtures included in any Common Areas, including but not limited to, entrance and Road signs, Water System facilities, park areas (if constructed), and all personal property and supplies belonging to the Association, shall be insured in an amount equal to 100% of the current replacement cost up to the amount specified in the insurance policy (exclusive of land, foundation, excavation and other normally excluded items) as determined annually by the Board of Directors with the assistance of the insurance company providing coverage. The Board of Directors shall, at least annually, review the insurance coverage required herein and determine 100% of the current replacement cost of such improvements and fixtures and personal property and supplies. Such coverage shall provide protection against loss or damage by fire, windstorm, vandalism and malicious damage and perils covered by a standard "all risk" insurance policy. All such policies shall provide that adjustment of loss shall be approved by the Board of Directors and the insurance company. In addition to the provisions and endorsements set forth in Sections 8.3 and 8.4, the fire and casualty insurance described herein shall contain the following provisions:

(i) a waiver of subrogation by the insurer as to any claims against the Association, any officer, director, agent or employee of the Association, the owners and their employees, agents and invitees; and

(ii) a provision that the coverage will not be prejudiced by act or neglect of one or more Owners when said act or neglect is not within the control of the Association or by any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

The property and public liability insurance policy shall not contain (and the insurance shall not be placed with companies whose charters or bylaws contain) provisions whereby: (1) contributions or assessments may be made against the Association, or the owners; (2) loss payments are contingent upon action by the carriers, directors, policy holders or owners; and (3) there are limiting clauses (other than insurance conditions) which could prevent owners or the Association from collecting the proceeds.

(b) Public Liability. The Board of Directors shall also be required to obtain and maintain, to the extent obtainable, public liability insurance in such limits as the Board of Directors may, from time to time, determine to be customary for projects similar in construction, location and use to any Common Areas, and customary for the activities and obligations of property owners' associations for subdivisions similar to Swiss Village, covering each member of the Board of Directors, and each Owner with respect to his liability arising out of the ownership, maintenance, or repair of the Common Areas and out of the activities of the

Association; provided, however, that in no event shall the amounts of such public liability insurance ever be less than \$1,000,000 per occurrence against liability for bodily injury, including death resulting therefrom, and damage to the Association's property, including loss of use thereof, occurring upon, in or about, or arising from or relating to, Swiss Village or any portion thereof. Such insurance shall include endorsements covering cross liability claims of one insured against another, including the liability of the owners as a group to a single Owner. The Board of Directors shall review such limits annually.

(c) Fidelity Coverage. The Board of Directors shall also be required to obtain fidelity coverage against dishonest acts on the part of all persons, whether officers, directors, trustees, employees, agents or independent contractors, responsible for handling funds belonging to or administered by the Association, in an amount determined by the Board of Directors in its discretion. An appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

(d) Other. Such other insurance coverage, including flood insurance and worker's compensation, as the Board of Directors shall determine from time to time desirable.

Section 8.2 Premium Expense. Premiums upon insurance policies purchased by the Board of Directors shall be paid by the Board of Directors and charged as a common expense to be collected from the Owners pursuant to Articles 4 and 5 hereof.

Section 8.3 Special Endorsements. The Board of Directors shall make diligent effort to secure insurance policies that will provide for the following:

(a) recognition of any insurance trust agreement entered into by the Association;

(b) coverage that may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least forty-five (45) days prior written notice to the named insured, and any insurance trustee and;

(c) coverage that cannot be cancelled, invalidated or suspended on account of the conduct of any officer or employee of the Board of Directors without prior demand in writing that the Board of Directors cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association or any Owner.

Section 8.4 General Guidelines. All insurance policies purchased by the Board of Directors shall be with a company or companies licensed to do business in the State of North Carolina and holding a rating of A-10 or better by the current issue of Best's Insurance Reports. All insurance policies shall be written for the benefit of the Association and shall be issued in the name of, and provide that all proceeds thereof shall be payable to the Association. Notwithstanding any of the foregoing provisions and requirements relating to insurance, there may be named as an insured, on behalf of the Association, the Association's authorized representative, who shall have exclusive authority to negotiate losses under any policy providing such insurance.

Section 8.5 Owner's Personal Property. The Association or its Board of Directors shall not be liable in any manner for the safekeeping or conditions of any personal property belonging to or used by any Owner, or his family, guests or invitees, located on or used at the Common Areas. Further the Association shall not be responsible or liable for any damage or loss to, or of, any personal property of any Owner, his family, guests or invitees located on or used at the Common Areas. Each Owner shall be solely responsible for all such personal property and for any damage thereto or loss thereof, and shall be responsible for the purchase, at such Owner's sole cost and expense, of any liability insurance or other insurance for damage to or loss of such property.

ARTICLE 9 - CONDEMNATION

Section 9.1 Partial Taking Without Direct Effect on Owner-owned Lots. If part of the Common Area shall be taken or condemned by any authority having the power of eminent domain, all compensation and damages for and on account of the taking of the Common Areas, shall be paid to the Board of Directors in trust for all Owners. The Association, acting through the Board of Directors, shall have the right to act on behalf of the Owners with respect to the negotiation and litigation of the issues with respect to the taking and compensation affecting the Common Areas, without limitation on the right of the Owners to represent their own interests. Each Owner hereby appoints the Association as his attorney-in-fact to negotiate, litigate or settle on his behalf all claims arising from the condemnation of the Common Areas. Such proceeds shall be used to restore the Common Areas with the excess, if any, to be retained by the Association and applied to future operating expenses by the Board of Directors, in its sole discretion. Nothing herein is to prevent owners whose Lots are specifically affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on their own behalf for consequential damages relating to loss of value of the affected Lots, or improvements, fixtures or personal property thereon, exclusive of damages relating to the Common Areas. In the event that the condemnation award does not allocate consequential damages to specific Owners, but by its terms includes an award for reduction in value of Lots without such allocation, the award shall be divided between affected Owners and the Association, as their interests may appear, by the Board of Directors in its sole discretion.

Section 9.2 Partial or Total Taking Directly Affecting Owner-owned Lots. If part or all of any property in Swiss Village shall be taken or condemned by any authority having the power of eminent domain, such that any Lot or a part thereof (including specific easements assigned to any Lot) is taken, the Owners directly affected by such taking shall represent and negotiate for themselves with respect to the damages affecting their respective Lots. All compensation and damages for and on account of the taking of any one or more of the Lots, or improvements, fixtures or personal property thereon, shall be paid to the Owners of the affected Lots.

ARTICLE 10 - GENERAL PROVISIONS.

Section 10.1 Enforcement. The Association through its Board of Directors, and all the Owners hereby covenant and agree that they shall exercise their power of enforcement hereunder in order to maintain a first class subdivision in appearance and quality, and that they shall enforce any restriction, condition, covenant or reservation contained in this Declaration deemed

to have been violated, using all remedies available to them at law or in equity. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Board of Directors hereby reserves the right and easement, but not the obligation, to go upon any portion of the Common Areas at any time in order to repair and maintain such Common Areas where needed.

Section 10.2 Severability. Invalidation of anyone of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 10.3 Amendment. This Declaration may be amended at any time and from time to time by affirmative vote or written agreement signed by owners holding a sixty-seven percent (67.0%) of votes appurtenant to the Lots and Houses which are then subject to this Declaration. Any such amendment shall not become effective until the instrument evidencing such change has been filed of record.

Section 10.4 Term. This Declaration, as it may be amended from time to time in accordance with the terms hereof, shall remain in force in perpetuity, unless and until terminated by the affirmative vote of eighty percent (80%) of the total votes of the Association.

Section 10.5 Counterparts. This Declaration may be signed in multiple counterparts and have multiple signature pages attached.

IN WITNESS WHEREOF the Association, pursuant to the provisions of North Carolina General Statutes Section 47F-2-117 has executed this Declaration effective as of the day and year first above written.
